**DECLARATION OF SOUTH SUDANESE LIBERATION**

*25TH APRIL 2024*

### ***In the Name of Freedom***

We, the courageous sons and daughters of the Republic of South Sudan, this day Thursday April 25, 2024, rise as one against the shackles of oppression, corruption, and tyranny. With unwavering determination and boundless resolve, we declare our commitment to reclaiming our nation from the grip of President Salva Kiir's regime.

### ***A Call to Action***

Today, we sound the clarion call for all freedom-loving South Sudanese to join us in our noble cause. The time for self-satisfaction is over; the time for action is now. Let us unite in solidarity, shoulder to shoulder, as we march towards a future where justice, equality, and prosperity prevail.

### ***For the Victims of Tyranny***

We pay tribute to the countless victims of President Salva Kiir's regime – those who have suffered imprisonment, torture, and oppression simply for daring to speak out against injustice. Their courage and sacrifice fuel our determination to dismantle the oppressive structures that have plagued our nation for far too long.

### ***A Vision for a New South Sudan***

We envision a South Sudan where the rule of law reigns supreme, where leaders are held accountable for their actions, and where the rights and dignity of every citizen are respected and protected. Our vision is not merely a dream but a tangible reality within our grasp, achievable through our collective will and determination.

### ***A Message to the Tyrants***

To President Salva Kiir and his cronies who have plundered our nation's wealth, suppressed dissent, and perpetuated violence and instability, we say: your days of tyranny are numbered. The people of South Sudan have risen to reclaim their rightful place as the masters of their destiny, and no force on earth can stand in our way.

### ***Join Us in the Struggle***

To all South Sudanese who yearn for a better future, who refuse to be cowed into submission by fear and intimidation, we extend our hand in solidarity. Join us in

the struggle to rid our nation of the cancer of corruption and tyranny, and together, we shall build a South Sudan that we can all be proud of.

***For the Liberation of South Sudan***

With our launch today in Nimule town at 8:15pm (CAT), let this declaration serve as a beacon of hope for all who cherish freedom, justice, and democracy. Let it inspire us to redouble our efforts, to stand firm in the face of adversity, and to march boldly towards the liberation of our beloved South Sudan.

In Solidarity,
